

**Town Manager's Report
February 20, 2019**

We have been made aware of a potential Mass Gathering Ordinance violation on Red Barn Road (The Phamily Picnic), scheduled for May 17-19. A certified notice of violation has been sent by the Code Enforcement Officer and we will monitor the advertising activity closely.

The Town Office will be undergoing an internet upgrade, which will increase speed by 30x and actually reduce our cost. This was supposed to be completed today, but the vendor didn't have the proper equipment. We expect this to be completed within the next two weeks.

The 2018 franchise fee has been received from Charter Communications. The total received was \$19,799.83, which represents an increase of \$1,478 (+8%) over previous year.

The Norridgewock Water District Board of Trustees has sent a recommendation of a new nominee for the upcoming term: Upper Main Street resident Bob Hopkins. If there is anyone else interested in filling this seat, they are encouraged to apply at the Town Office using a volunteer application or by submitting a cover letter. The appointment is tentatively slated for the March 6, 2019, meeting agenda.

Assessors meeting will be scheduled for March 6 at 5:30 to seat the board and take up items of regular business.

Town reports should be in before the end of the day tomorrow (2/21)
